Canine Behavioural School

Puppy Pre-School

Stephen Terrace Veterinary Clinic

Bodil Schou-Hansen & Susanne Eckert

Location	45 Stephen Terrace, St Peters 5069
Time	Monday & Wednesday 7.15pm

Why find a puppy pre-school

Canine Behavioural School does not teach puppy pre-school (for puppies 8-16 weeks of age). However, as this is the time in a dog's life when they learn the most, we strongly recommend that all puppies attend a puppy pre-school with appropriately trained instructors.
